Press Release

CHICAGO - Masuda, Funai, Eifert & Mitchell, Ltd. represented Marlabs, Inc. ("Marlabs"), a digital services company, in a deal with BV Investments Partners, a middle market private equity firm focused on technology, software and IT services industries, which made a significant, growth investment in Marlabs.

Marlabs is an end-to-end IT services provider enabling its clients to build and manage IT applications and infrastructure. The firm delivers its services to healthcare, life sciences and financial services industries. The firm has over 900 U.S. employees and 1,500 in India.

BV Investment Partners is one of the oldest and most experienced sector-focused private equity firms in North America. Since its founding in 1983, the firm has invested approximately \$4.3 billion, actively targeting investments in the tech-enabled business services, software, and IT services industries.
